- Jorge Fernandez Anaya, who heretofore has held the position of Secretary of Organization on the Central Committee of the Partido Commista Mexicano (PCM-Mexican Communist Party), has been given the position of Secretary of Eural Affairs (Asuntos Cempesinos). The reason for this change, according to source, was that the Political Bureau, at a meeting on 25 or 26 January 1949, decided that Fernandez Anays would be of greater value if he were able to travel widely around Mexico as a propagandist and organizer for the Party. Fernandez departed on 30 January for the State of Chiapas to reorganize the Party in that state.
- 2. The post of Secretary of Organization on the Central Committee has been filled by Encarnacion Valdez, a long-time member of the PCM, formerly a member of the Electrical Workers Union in Monterrey. He was elected a member of the Central Committee at the Tenth National Congress of the PCM held in Mexico City in November 1947.
